

INTRODUCING ONLINE STUDENT MEAL PLAN PAYMENTS/BALANCES

As a convenience to parents, the North Mason School District is excited to announce that parents can now add money to their child's school food service account online through the Skyward Family Access parent portal they currently use. We have contracted with RevTrak, a national credit card payment processor, to provide a secure site for making payments.

Online Payments Are Currently Being Accepted

Parents can make payments online while on their home or work computer, any time of the day. If their child's food service balance is low, it only takes a few minutes to add money to it using their VISA, Discover or MasterCard credit or debit card. Payments are made through the student's Skyward Family Access account. A link to Family Access can be found on the school district's website at <http://www.nmsd.wednet.edu>

To Make Online Payments the Parent Will Need:

- **MasterCard, Discover or VISA (Debit, Credit or Check Card)**
 - Card number & expiration date
- **Skyward Family Access Login and Password**

Payments made through Family Access will immediately be posted to the student's food service account. All credit card statements will show the payment has been made to the North Mason School District and a handling fee will be assessed for each transaction.

Please visit the North Mason School District website for future updates
