## Essay Contest

### *How to be an Excellent Student*

Mr. King and Mrs. Brush held an essay contest “How to be an Excellent Student”. The contest was open to all grade levels with a winner in each grade. The prize was lunch with the Principals. The judging was difficult as several great essays were submitted. Congratulations to Kevin Gilbert in Mrs. Champa’s 3<sup>rd</sup> grade class, Delilah Schmidt in Mrs. Roy’s 4<sup>th</sup> grade class, Elizabeth Smith in Mrs. Helmich’s 5<sup>th</sup> grade class. The principals plan to have a different essay contest every month. They look forward to seeing the great work students turn in and wish to encourage everyone to participate. November 1<sup>st</sup> is the deadline for the October essay “What it Means to be an Excellent School bus rider”.

## PTA FAMILY MOVIE NIGHT

Friday, November 15th at 6pm\*  
Friday, December 6th at 6pm\*

### **FREE ADMISSION!**

Enjoy a PG movie with your family at no cost!  
Dinner, snacks, and beverages will be available for purchase.  
\*\*Movie will start around 6:30pm. Doors open at 6pm, come and get your snacks and seats!

Families can apply online for *Family Access*. This will allow you to see your child's information (grades, lunch account, absences, etc.) online. If you've already enrolled, you will not need to do this again. Go to the NMSD Webpage and click the Family Access Online Application link. You will receive your login information the next day. Only one application per family is needed. ***This year we have made the Impact Aid forms available online. Click on your Family Access account and the Impact Aid survey will pop up.***

### Number sense

Get your youngster used to thinking about numbers and what they mean. + Have children count objects regularly. How many computers are in the library? How many books are in his or her room? + Give directions involving numbers. Examples: "Please put three plates on the table." "Take four steps to get into bed." + Ask your child to count to 10 by finding numbers around the house. Examples: "1" on a clock, "2" on a remote control, "3" on a board game spinner, and so on.

### Just for fun

Q: Why did the man water only half of his lawn?  
A: Because he heard there was a 50 percent chance of rain.
