

Parents:

We care deeply for our students and want to continue providing educational services. Your teachers are preparing materials for students. Please be aware that teachers will be using the Remind app you can access from your telephone or computer. Let your school know if your contact information has changed and needs to be updated. Students can access their online textbooks using Class Link found on the North Mason School District web page.

<https://www.northmasonschoools.org/userfiles/229/my%20files/classlink.pdf?id=4358>

In addition to lessons provided by your child's teacher(s), Common Sense Media reviews on-line apps and is searchable by grade level, content, and price (including free).
