

**NORTH MASON SCHOOL DISTRICT #403
TRANSPORTATION DEPARTMENT**

In order for staff to transport students in school district vehicles, each member must document that they have viewed the training videos and be signed off by their building Principal. Instruction will be given at the Transportation Department on pre and post-trip inspections. All documentation will be kept at the Transportation Department.

- View the video “Fatigue”
- View the video “The Ultimate Driving Challenge”
- Go over a Pre-Trip / Post-Trip of the vans at Transportation

Annually the following document must be updated and on file.

- Current Driver’s License
- Driving Abstract
- Valid First Aid Card
- Medical Statement
- Disclosure

This states that I completed the requirements needed to have a Type II certification to transport students in the North Mason School District.
